Chocolate Story Characters

What a fun time you will have as your son or daughter decides which characters to make in chocolate! Cinderella, a fairy (Tinkerbell), a mermaid (Ariel), an alien (ET), a star fighter (StarTrek), and a transformer (Transformer) are all great choices. With milk, dark and white chocolate and a pallet of colors we all will have a fun time using our imagination to create chocolate characters.

Under The Sea

Colorful fish in all shapes and sizes will make this class a fun time for kids. Fish will be made using milk chocolate and decorated with bright chocolate colors to create a personal “fishbowl” of fish. Each will be packaged and put in a small fish bowl for take-home!
