

Winter 2019 Adult Chocolatier Series

Experiences in the world of a chocolatier!

Winter 2019 classes are enrichment experiences for adults, where they can learn, experiment, try something new, be artistic and creative, and enjoy treats at the end of the class. What could possibly be any better than that!

Single Project Do It Yourself (DIY) Classes

Held during the day, these single project classes (DIY) are offered to provide a small group experience in our kitchen to learn different techniques to make a specific seasonal chocolate confection. Artistic ideas are shared and demonstrated and then the fun and hands-on experience begins! These are 30-45 minute classes scheduled for lunchtime and afternoons, and give you the opportunity to take a 45 minute stroll around downtown Mechanicsburg to grab a bite to eat or visit an antique shop. While your project cools. Enrollment is limited to 2-4 participants in each class, and they are offered during the week.

Evening Chocolatier Classes

The evening adult Chocolatier classes provide the opportunity to create several different chocolate treats around a common theme. These classes typically include using something delicious but previously made for the class, such as a truffle ganache, artisan cream, or handmade marshmallow. Class size is limited to 12 individuals.

Do-It-Yourself (DIY)

Valentine Decorated OREO Cookie box

Perfect to give as a gift or to enjoy yourself, this 4-piece OREO Cookie box will include your choice of OREOS (yes – the new Valentine Limited Edition OREOs as well as other varieties) decorated for this very special holiday. Chocolate transfers, decorative toppings, and colored chocolate pieces that you make will make each cookie a work of art! We will place them in a clear cookie box and will tie with ribbon for Valentine's Day!

Thursday January 31st 1:30pm-2:30pm Class Pricing: \$12.00
