Favorite Storybook Characters

Some of our earliest friends are the characters in storybooks. We'll be remembering favorite books and the characters that made the stories so much fun to hear as we make a decorated chocolate lollipop for each one: Big Bird, Blues Clues, Clifford (the big red dog), Thomas (Tank Engine). Lots of fun and very colorful! We'll package to take home to "show off" to the family.

Spooky Halloween Chocolate Treats

Here's a fun and creative class, and a wonderful opportunity for a young chocolatier to create an assortment of sweet treats to share with the family. We'll be making small chocolate ghosts, pumpkins, bats and black cats and then using them to decorate two mini chocolate apples. Chocolate covered graham crackers with chocolate "BOO" pieces and fun sprinkles, and pretzel rods dipped in chocolate and decorated with monster eyes, Halloween colored candy bits and candy corn will make a wonderful treat bag to take home for sharing.
